

I would like to buy or rent a flat in Penrith

I am a retired professional lady looking to buy or rent a flat in or around Penrith.

I have looked at all of the agents and I'm unable to find a suitable place so I thought that I would try this private approach.

I don't have a property to sell and I would like to move to Penrith during this summer.

I treat property with care and respect.

Please contact me.
